**DESCRIPTION:**

Hotel El Ganzo is a place that celebrates diversity, creativity, artistry and sustainability. It's a place where individual expression reigns, and guests can indulge and enjoy Los Cabos like never before. The 69-room, beachfront hotel stands at the base of the Puerto Los Cabos marina, on an old fisherman's wharf. El Ganzo boasts sprawling suites with limitless views of the Sea of Cortez; a chic rooftop bar and lounge; several restaurants on-site; and access to all of the world-class amenities of the Puerto Los Cabos resort and residential community it resides in. Perhaps most notable of all is El Ganzo's unique foothold in the world of the arts - with live artist installations, an in-house recording studio, as well as a bustling schedule of musicians playing on-site - it is an art and music lover's utopia.

**ACCOMODATIONS & AMENITIES**

All 69 guestrooms overlooking the Sea of Cortez are luxuriously appointed with modern, refined décor with rustic undertones brought in with natural materials and woods throughout. **CULTURE**

Hotel El Ganzo is an art and music lover's utopia with its in-house recording studio, an artist in residence program, live artists installations and renowned musician performances on site.

"The Underground" is the hotel's state-of-the-art recording studio, aptly named as it is located underground and accessed only via a trap door in the floor of the lobby lounge. Acoustically and electrically isolated from the rest of the hotel, The Underground is stocked with the highest quality equipment including Blue Microphones, Fender and Gibson. The Underground can accommodate anything from solo artists to entire bands, any time of the day or night. The studio is also available for rent over extended periods.

Where most hotels have a lobby bar, El Ganzo has a lobby *venue* complete with a stage and surround sound system fit to host internationally renowned musicians for El Ganzo Sessions, a series of live performances held on-site. Guests can enjoy performances free of charge.

El Ganzo also features a one of a kind artist in residence program that invites artists from all over the world to create masterpieces and use El Ganzo as their canvas. Artists are given absolute freedom to create works of art inspired by the property and its unique atmosphere and creative vibe. Artists can choose to create live installations throughout the hotel that guests can see, and musicians take advantage of The Underground studio. Hotel El Ganzo's website is updated bi-weekly with new artist news, comings and goings as well as El Ganzo Sessions performances.

**SPECIAL ON-SITE

**CELEBRATE:** Whether it's an intimate gathering or a large affair, a Mexican beach wedding will have all the charm and romance a guest has ever dreamed of. Choose from three different venues and transform each into a whole new way – a bohemian-style barefoot wedding or a traditional, upscale ceremony. Guests can customize it with homemade decorations and wildflowers or the hotel can recommend local vendors.

**RESTAURANTS:** Guests may choose from four restaurants and two bars at Hotel El Ganzo, each with a distinctive menu and atmosphere. Round-the-clock in-room dining is also available, as are private catering services for dinner parties and intimate en suite events.

The Upstairs Bar located on the rooftop, offers stunning panoramic views of Puerto Los Cabos Marina, The Sea of Cortez and the nearby mountains.

The Rooftop lounge has a music venue dedicated to hosting open-air concerts by in residence artists and a D.J. booth for special events and parties.

The restaurant at Ganzo de Playa Beach Club is a “no shoes, no problem” establishment on one of Cabos’ few swimmable beaches. This mostly al fresco spot serves up delectable, casual fare daily for lunch.

Gachoo Sushi Bar serves Japanese food, raw food and fresh ceviches daily on the rooftop.

Ganzo Downstairs utilizes the freshest local ingredients, blending traditional Mexican flavors with international culinary techniques and serves food all day every day in a vibrant oceanfront setting.

A large bar in the Lounge area is the meeting spot for enjoying signature cocktails or a warm sunset on the outdoor patio with limitless ocean views and cozy fire pits. The vibe is both lively and laid back with carefully curated music playlists by in residence artists and the hotel’s Music Director.

Located within walking distance and along the Puerto Los Cabos marina, guests can find The Container Restaurant and bar. Perfect for a casual breakfast, lunch or dinner.
